HIPAA Privacy Policy

In compliance with The Health Insurance Portability and Accountability Act (HIPAA) re:fit is informing you of your privacy rights. Please review the information carefully.

What is HIPAA? HIPAA is a law passed by Congress in 1996 to improve the efficiency and effectiveness of the healthcare system. It requires health care professionals to adhere to privacy and security standards in order to protect their patient's Personal Health Information (PHI). PHI is confidential information about a patient, including demographic information.

What are my rights under HIPAA? Under HIPAA you have a right to request the following as long as a request is made in writing to the attention of the Privacy Officer and applicable fees are paid. There is a possibility that your request may be denied. If your request is denied we will explain why it was denied in writing.

•You have a right to inspect and obtain a copy of your PHI. We will respond to your request within 30 days. In most cases your request will be honored and a copy of your PHI will be mailed to you.

•You have a right to request an amendment of PHI. If you feel that your PHI is inaccurate or incomplete, you may request an amendment to your PHI. We will respond to your request within 60 days. If we honor your request we will amend your PHI and notify you and applicable parties. We will deny your request if we determine your PHI to be correct or complete, if your request was not created by us, or if PHI is not available for inspection.

•You have the right to know what disclosure(s) of your PHI have been made. You have a right to request a listing of who your PHI was sent to, when it was sent, what content of your PHI was sent and for what purpose. We will respond to your request within 60 days. There will be no charge to you for an initial request. Additionally, your request may not include disclosures made for national security reasons, to law enforcement officials/correctional facilities, or disclosures made prior to April 14, 2003.

•You have a right to request confidential communications of PHI. We will honor all reasonable requests to keep communications confidential. A reasonable request is one that specifies an alternative address, gives other means of contact and provides detailed information on how payment will be handled.

•You have a right to request restrictions on the use and disclosure of PHI, however we are not required to agree to your request. Your request must state specific restrictions requested and to whom the restrictions would apply.

•You have a right to receive a hard copy of this notice. This notice can also be accessed on our website www.refitinc.com.

How will re:fit use and disclose PHI under HIPAA? HIPAA allows us to use and disclose your PHI for the purposes of treatment, payment and healthcare operations. We will specifically use and disclose your PHI to communicate with your physician and to, upon request, assist your insurance company with the processing of your claims. Additionally, we will use your basic demographic information to notify you of new services or facilities. Your authorization is not required for use and disclosure of PHI for the purposes of treatment, payment and healthcare operations. Listed are other instances in which use and disclosure of your PHI is allowed without your authorization.

Disclosure to those involved in the individual's care when necessary, we will make a professional decision to disclose PHI to family members, close friends or other persons involved in and assisting in your care when you approve or when are not able or present to approve.
